

HCHR Member Organizations - as of April 2023

For purposes of decision-making, there are two tiers of organizational membership:

(1) **Sponsor organizations** – Organizations that make a significant investment of resources (financial, staff, or time), and who, in addition to attending general meetings, serve on [committees](#) or subcommittees. Sponsor organizations have one vote at general meetings, and appoint a designated representative to give the vote.

2) **Allied organizations**– Organizations that sign on in support of our [principles](#) and are invited to general meetings where they have a voice, but not a vote.
